****Summary****

Highly motivated and enthusiastic Computer Science graduate with a strong foundation in Python development and a passion for building innovative and user-friendly applications. Eager to contribute to a collaborative team environment and learn new technologies while developing robust and scalable solutions.

****Education****

- * ****University of Willow Creek**** - Willow Creek, CA
 - * Bachelor of Science in Computer Science - May 2024
 - * GPA: 3.7/4.0
 - * Relevant Coursework: Data Structures & Algorithms, Database Systems, Software Engineering, Python Programming, Web Development

****Projects****

- * ****Personalized Learning Platform (GitHub: [fake GitHub URL - e.g., github.com/example/learning-platform])**** - Python, Django, PostgreSQL
 - * Developed a prototype learning platform with user authentication, content management, and personalized recommendations using Django and PostgreSQL.
 - * Implemented features for tracking user progress and generating personalized learning paths.
- * ****Data Analysis Dashboard (GitHub: [fake GitHub URL - e.g., github.com/example/data-dashboard])**** - Python, Pandas, Matplotlib
 - * Created an interactive data analysis dashboard to visualize and interpret sales data.
 - * Utilized Pandas for data manipulation and Matplotlib for data visualization.
- * ****Simple To-Do Application (Live Demo: [fake URL - e.g., example.github.io/todo-app])**** - Python, Flask
 - * Built a basic to-do list application using Flask to demonstrate fundamental web development skills and API design.

****Skills****

- * ****Programming Languages:**** Python, JavaScript, HTML, CSS, SQL
- * ****Frameworks/Libraries:**** Django, Flask, Pandas, NumPy, Matplotlib, Git
- * ****Databases:**** PostgreSQL, MySQL
- * ****Tools:**** VS Code, GitHub, Jira, Slack

****Awards & Activities****

- * Dean's List - University of Willow Creek (2022, 2023, 2024)
- * Computer Science Club - Member
- * Hackathon - "InnovateEd" - Participation (2023) - Developed a proof-of-concept app for improved student engagement.
